**NOTES**

The aim of this Loan Scheme is to give some temporary financial support to charities and voluntary community organisations in the Wayland area that may be experiencing cash flow problems due to the effects of Covid19 Lockdown restrictions. The money allocated will be from the funds raised at the 2020 Wayland Spring Ball which were intended for the Benjamin Foundation's family project planned for delivery from Watton Youth and Community Centre. Due to Covid19 the project has been suspended therefore, with the full approval of the Benjamin Foundation, we are able to offer interest free loans of up to £500, from the funds, to help other community organisations who may be struggling at this time but with the full expectation that the money will be repaid in order that we can reallocate the full funds to the Benjamin Foundation project in Watton at such time that it is up and running.

Loans will be awarded at the discretion of the Society's Ball charity committee. **Applications should be submitted no later than 30th June 2020.**

Loans will not be available:

1. To organisations who do not operate or have community links within the Wayland Area.
2. Unless the organisation is properly constituted and representative of the interests concerned.
